### **Brand Promise**

Insatiable thirsts for unique innovations in all areas of American life, as well as mounting competition in the marketplace, are driving forces that fuel the never-ending pursuit for progress and technological advancements in the modern world. Carter Brothers Mfg.Co.,Inc was founded in 1936 with this principle and it continues to be our driving force. Throughout our 70 year history, Carter has continuously pursued the latest in technology and design as we planned and produced our pace-setting products. This long-standing dedication to excellence and innovation has secured our position as both a pioneer and an innovator in the world of Off and On-Road Machines.

***Carter***  
**A BETTER BUILT MACHINE**

### **MISSION**

To be the leading provider in the karting and power sports industry, consistently bringing new, innovative products to our customers.

To achieve product differentiation that creates value for the customer in each market segment we enter.

To focus on customer loyalty and to consistently redefine the very essence of outstanding customer support & service.

Being a manufacturer for 70 years and having nearly 40 years of specialization in go-karts, Carter Brothers has long been known as a go-kart landmark in the United States' Power sports Industry. Ever since the beginning, innovative ideas and unique designs have set us apart from other manufacturers. Our reputation for high quality and reliability precedes us wherever we go.

No matter how much Carter Brothers grows in the future, its same time-honored traditions and values will be preserved.

We will continue to create innovative products for valued customers and for the dealers who have become a vital part of our family.

Thank you,

Carter Brothers Mfg Co Inc

-  silver
-  blue
-  orange

### GTR Engine

The SYM 300cc & 250cc liquid cooled 4 stroke 4 valve engines with ceramic coated cylinders offer 40% more HP & Torque vs. any competitors engine in this class of vehicle.  
 SYM 250cc (20hp)  
 SYM 300cc (24hp)  
 These engines are CARB/EPA/EURO 2 Certified

## 2961 Interceptor **GTR 300**

### Engine

24hp 300cc SYM Engine w/ 2 Year Warranty  
4-Stroke, 4-Valve Ceramic Coated Cylinder  
Liquid Cooled Engine  
Carburetor  
C.V.T. w/ Reverse Transmission  
EPA/CARB/Euro 2 Certified  
2 Year Warranty

### Dimensions

LxWxH: 90x62x63"  
Wheelbase: 68"  
Ground Clearance: 8"  
Dry Weight: 650 lbs.  
Front Tires: 23 x 8-10  
Rear Tires: 25 x 10-12

### Chassis/Suspension

Steel Frame Body w/ Bolt on CBC  
Rack & Pinion Steering  
Double A-Arm Front Suspension w/ Strong Struts  
Independent Dual A-Arm Rear Suspension  
4 Wheel Hydraulic Disc Brakes  
Large Utility Rear Rack

### Features

Headlights w/ Hi-Lo Beams  
Speedometer, Odometer & Tachometer  
Horn  
12V Power Plug  
Turn Signals  
Brake Lights  
Parking Brake  
Center Rear View Mirror  
Sealed Battery w/ Larger Capacity  
Larger 4 gallon Gas Tank w/ Rollover Protection  
4 Wheel Large Fenders  
2" Rear Trailer Hitch Receiver  
Cast Ductile Iron Rear Knuckles w/ Sealed Bearings  
Automotive Grade Paint Finish w/ UV Protection on Metal Parts  
48mph std / 58mph w/ Optional 18 Tooth Engine Drive Sprocket  
Tool Kit  
Fully Enclosed Side Panels  
Front Hood Design to Protect from Dirt & Debris  
Skid Plate under Chain Drive  
Aluminum Performance Wheels  
4 Point Seat Belts

#### GTR Bucket Seats

Individual bucket seats with 4 point seat belts keep you comfortable & secure in the toughest terrain.

#### GTR Brush Guard

Optional GTR Brush Guard increases protection for headlights, front hood, A-arms, steering & suspension components.

#### GTR Aluminum Wheels

The GTR features lightweight high performance aluminum wheels with 23x7-10 Fr. Tires & 25x10-10 Rear Tires.

## 2861 Interceptor GTR 250

The Interceptor GTR 250 is the first born in the XRV Hybrid Vehicle Series.

The GTR is powered by a reliable SYM 250cc liquid cooled engine that provides consistent power, high torque and is backed with a 2 Year Warranty. The GTR provides the perfect combination of high performance and outstanding features. The fully independent front & rear dual a-arm suspension with sharp handling ensures a smooth, comfortable ride. Its performance, coupled with its aggressive and trendy styling, makes the GTR superior in every way to all other vehicles in its class!

### Colors
